

SOMETHING SPECIAL FOR

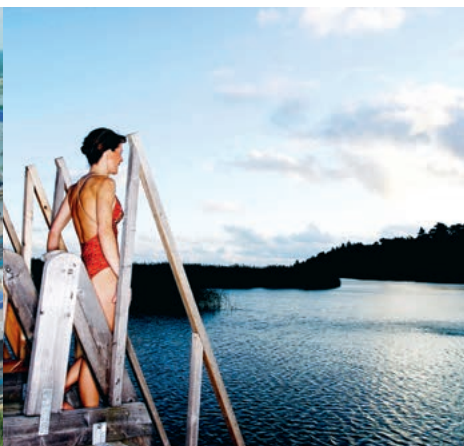

THE CREW

Welcome
to Turku

Welcome to Turku, we want you to enjoy your stay! Let Visit Turku entertain you with these special programmes, just for the visiting cruise crews. And what's even nicer, they are FREE of charge.

Meyer Shipyard Tour

Get acquainted with the extraordinary shipbuilding industry of Turku and see the construction site of the world's largest luxury cruise ships.

During the tour you'll learn about the maritime industry, both past and present. The tour includes a visit in Maritime Centre Forum Marinum before going on to the Meyer shipyard in Turku. Duration approx 2.5 h.

Finnish Sauna Experience by the Sea

If you have never been to a Finnish sauna, do not leave the country without trying it in Saaronniemi.

Let our bus take you to the island of Ruissalo to enjoy a true sauna experience that is not complete without a dip in the refreshing Archipelago Sea.

Towels included, refreshments included – total relaxation included!

Sappalinna Lido

The Sappalinna Lido is loved by the locals and visitors alike. Originally from the year 1955, the beautiful recreation site has just been through a total renovation. Enjoy swimming and sunbathing just in the center of the summer city Turku!

Sappalinna facilities include an Olympic pool with high diving board and tower, sun lounges and – of course when in Finland – sauna.
