

## ADVANCE NOTIFICATION OF DANGEROUS GOODS

An advance notification must be submitted on all dangerous goods (goods in the IMDG code, excluding liquid fuels transported as bulk) to be transported through the Port of Turku (Government Decree 251/2005), and this form should be used whenever possible.

The notification shall be made separately for each batch of goods and sent to the Vessel services at least 24 hours before the dangerous goods are brought to the port area. An advance notification on import/export taking place at weekend or holiday shall be submitted at least 24 hours earlier on the preceding business day.

The signed advance notification shall be sent to the Vessel services by using Portnet or by email to dangerousgoods@portofturku.fi. Inquiries tel. +358 50 55 33 123.
